

Rally at Sunday School Scheduled by Baptists

The Rev. Vincent Irwin, pastor of Calvary Baptist Church, 23601 So. Main St., North Wilmington has announced that the church will begin its Sunday School Rally on Sept. 23. The contest will last for eight weeks and the goal is to reach 400 in the Sunday School.

Pastor Irwin stated that the new Sunday School building consisting of 14 new class rooms is now in use. There are classes for all ages from two years through the adult class beginning at 9:30 a.m. There is a fine nursery provided at all services.

Standpoint Title Of Church Talk

What changing one's standpoint can mean in meeting today's challenges will be brought out at Christian Science church services Sunday.

"Love not the world, neither the things that are in the world" is the Golden Text from the Bible (1 John 2). It keynotes a Lesson-Sermon on the subject of "Matter."

One of the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "When understanding changes the standpoints of life and intelligence from a material to a spiritual basis, we shall gain the reality of Life, the control of Soul over the sense, and we shall perceive Christianity, or Truth, in its divine Principle" (p. 322).

coffee and donuts to welcome the new members to the class. Bro. Irwin is beginning a new study, starting in the book of Genesis and would like to extend a special invitation to all the newcomers to the area to come join his adult class.

Pastor Irwin is a native of Oklahoma and a graduate of the Bible Institute of Los Angeles. The church is the largest independent church in the Harbor area and is fundamental in doctrine.

The church has an outstanding youth group which includes all ages from 13 years through college ages. They have a Sunday School class of approximately 50 young people and a youth group which meets at 6 p.m.

Out of this group has grown an outstanding choir which sings in the 7:30 p.m. Evangelistic Service each Sunday. Mrs. Vincent Irwin, youth director, extends a
